There will be Biosolids and Collection System sections this year and no Lab due to lack of participation.

The MWOA Directory has about 2/3 response from member wishing to participate.

**New Business:**

The 2005 MWOA Annual is scheduled to be held in the SW Section. Ideas were submitted as to where it could be held since there are very few, if any, places large enough to accommodate 100 motel rooms and rooms for the meetings and vendors. Ideas included Marshall and New Ulm, tabled.

St. James will host the November Section meeting.

Meeting adjourned at 12:00 .

Respectfully submitted;
