

## **Summary of MWOA/Central States Laboratory Committee Meeting**

The MWOA/Central States Laboratory Committee met on Tuesday, 11 May 2004 at the Charley's in Mankato Minnesota. Five members were present.

Final details for the summer workshop were discussed. Vendor space is not available this year so that will not be a part of the workshop. Brochures for the meeting will be mailed around the first of June 2004. There is also some needs for supplies for the workshop, a list will be provided at the July 2004 meeting.

Suggestions were made for materials to be supplied to the lending library with the funds in the laboratory committee funds.

The next meeting will be 8 July 2004, with the location to be determined.
